## **The Resource Group Counted Among Top Finalists for the 2007 Microsoft Partner of the Year Award in Microsoft Dynamics GP**

**Seattle, WA, United States — June 25, 2007**— Today, The Resource Group announced it has been selected as a finalist for Microsoft Corp.'s Partner of the Year Award in Microsoft Dynamics GP. Winners for the 2007 Microsoft Partner Program Awards, which recognize top Microsoft Partners delivering market-leading, Microsoft-based solutions, will be announced July 11 in Denver, Colorado at the Microsoft Worldwide Partner Conference.

“Being recognized by Microsoft to be one of the top three Microsoft Dynamics GP partners worldwide is the most exciting announcement The Resource Group has received in our 20 year relationship with Microsoft and Great Plains (Dynamics GP),” said Marty Schillaci, President of The Resource Group. “This recognition demonstrates that success can be achieved by being the best at what you do, staying true to your core values, delivering positive results and value to customers, and building a world-class team of professionals.”

Awards will be presented in a number of categories, with winners chosen from a pool of more than 1,800 entrants worldwide. The Microsoft Dynamics GP Partner of the Year award recognizes a Partner who demonstrates excellence in delivering value to our mutual customers. This Partner is a champion in delivering solutions to delight their customers and drive their business productivity. They consistently exceed customer expectations and have earned great loyalty from their customers. This Partner demonstrates leadership within the Microsoft Dynamics GP Partner community in terms of adding new customers, driving revenue growth and contributing to the overall success of the Partner community.

“We have a diverse and talented partner ecosystem that each year raises the bar in the design and deployment of customer solutions built on Microsoft technologies,” said Allison L. Watson, corporate vice president, Microsoft Worldwide Partner Group. “We are pleased to recognize The Resource Group as one of our partners leading the field in this category.”

The Microsoft Partner Program Awards recognize Microsoft Partners that have developed and delivered exceptional Microsoft-based solutions over the past year.

### **About The Resource Group:**

The Resource Group is an long-term, Microsoft Gold Certified Partner that focuses on providing Microsoft Dynamics GP (formerly Great Plains) business-management software, CRM, portal and business intelligence services to mid-market and upper mid-market customers. Since 1988, The Resource Group has helped organizations take their business further by assisting in pre-sales evaluation, implementation, planning and execution, and on-going support and services around Microsoft Dynamics GP.
