www.logos.com

Since its inception in 1992, Logos Research Systems, Inc. has grown from a couple of programmers in a basement into the largest developer of Bible software and a worldwide leader in multilingual electronic publishing. We partner with more than 100 publishers to make more than 5,000 electronic Bible study resources available to customers around the world. Our technology is used in more than 180 countries in a dozen languages. Logos is headquartered in the friendly city of Bellingham, Washington, USA, and has a subsidiary in Johannesburg, South Africa.
