Founded in 1963, Seattle Opera has developed into one of the leading opera companies in the United States. The company is recognized internationally for its theatrically compelling and musically accomplished performances. Seattle Opera's summer presentations, particularly of Wagner's *Ring des Nibelungen*, have been acclaimed often and widely as among the Pacific Northwest's premier cultural events.

In August of 2003, Seattle Opera moved into its new state-of-the-art home, Marion Oliver McCaw Hall, built on the site of the old Opera House at the Seattle Center.
